CONGRATULATIONS!

You are about to start the supplementation of a nutritional product so revolutionary it was awarded a composition patent.

MaxGXL® delivers a proprietary combination of professional grade nutrients designed to optimize your body's production and preservation of glutathione.

The greatest part is that people are FEELING the positive impact of MaxGXL!

Use the chart below to track and compare the BEFORE and AFTER effects of MaxGXL to track the maximum benefits you can experience with increased glutathione levels.

MAXGXL® Quality of Life Improvement Chart

This chart allows you to be aware of just some of the areas in which glutathione has an impact. Benefits from taking MaxGXL are optimized over time and may vary from person to person. Fill out the chart below **BEFORE** starting MaxGXL. Be sure to fill out the chart **at the end of each week** for four weeks and compare the scores. **Rate from 0 to 3.**

0 = No Trouble
1 = Slightly Troublesome
2 = Moderately Troublesome
3 = Severely Troublesome

	Before	Week 1	Week 2	Week 3	Week 4
Lack of Energy					
Muscle Discomfort					
Workout Recovery					
Emotional Stress					
Sleep Quality					
Mental Focus					
Joint Comfort					
TOTAL
