

# Give the gift of HEALTH for the Holidays!

During the holidays, you may be purchasing presents for your loved ones. With tighter budgets, value is more important than ever. What is the best gift you could give this year?

**MaxGXL® and Max N-Fuze™ are  
the perfect gift of health  
for those you love.**

## MAXimize the use of your holiday dollars and add to your PV with your purchases!

MaxGXL energizes, protects and boosts your immune system with its impressive glutathione precursor formula. The perfect companion is Max N-Fuze, effectively delivering the nutrition you need with nano technology. These two innovative products will show how much you really care!
