

Dear

It is with great pleasure that I send you this INTRO PACK. The INTRO PACK includes an amazing product called MaxGXL™.

MaxGXL has received a composition patent, which few products have been awarded. Also included in the INTRO PACK is a DVD which will educate you on the product and the creator of MaxGXL.

Max International's founders have been successful in building multi-million dollar companies and are taking this product to the world. They have built a business opportunity which will help people become financially independent in teaching them how to build a successful home based business. To learn about some of Max International's owners go to:

www.stevenkscott.com

www.guthy-renker.com

The INTRO PACK unlocks the door to better health and can help you experience a better quality of life. I invite you to take a look at the material and try the product.

I will be contacting you in a few days to talk to you and see what you think.

Sincerely,
